Glow Wire is the new innovative, flexible lighting. It is like a neon but cold, bendable and safe. Available in 11 awesome colours for a cool and innovative look, it can be battery operated or use mains power and it has a very low energy consumption. It is easy to install, cheap to run and safe. Because it is cold to touch, it presents no dangers to users and is fire safe. This Electroluminescent wire has unlimited applications: Fun Decoration, Art, Stunning effects on Cars, Trucks and Bikes, Signage, ANYTHING! The possibilities are endless!

## Get Glowing NOW - Just four simple steps: - (Volume Discounts Apply!)

- 1; Pick Your Colour** (Mark the colour(s) you require:)
- |                        |                             |                                |                           |                                  |
|------------------------|-----------------------------|--------------------------------|---------------------------|----------------------------------|
| White <sup>(2 3)</sup> | Pink <sup>(1 4)</sup>       | Red                            | Orange <sup>(1 2 3)</sup> | (1) = Not available in Mini      |
| Yellow <sup>(3)</sup>  | Lime-Green                  | Green <sup>(2)</sup>           | Blue-Green                | (2) = Not available in Standard  |
| Ultra-Marine           | Purple <sup>(1 2 3 4)</sup> | Blood-Red <sup>(1 2 3 4)</sup> |                           | (3) = Not available in Long Tail |
|                        |                             |                                |                           | (4) = Not available in Wide      |
- 2; Choose Size and Length**

Glow Wire	Price Per Metre	Length	Price
Economy (2.3mm) (less bright)	\$11.34		\$ -
Standard (2.5mm) or Long Tail (Staple or sew)	\$13.01		\$ -
Long Tail economy (Staple or sew)	\$13.01		\$ -
Wide (5.0mm)	\$14.36		\$ -
Mini (1.2mm) Can easily tangle and kink. Not Stocked, Back Order only.	\$9.83		\$ -

## 3; Select Glow Wire Length that Controller must power (in Metres).

Controllers - Battery	Powered by	Details	Price Each	Quantity	Price
0.5-2m	2xAA	Continuous & Blinking.	\$19.56		\$ -
2-5m	4xAAA	Continuous & Blinking.	\$32.06		\$ -
5-15m	4xAA	Continuous & Blinking.	\$83.30		\$ -
20-40m	9V	Continuous & Blinking.	\$26.34		\$ -
3 x 0.75m	AA	Multi-Function 3 Way Sequencing.	\$49.37		\$ -
5 x 0.75m	AA	Multi-Function 5 way Sequencing.	\$45.80		\$ -
Controllers -Car 12Volts					
1-6m	12V(7-14)	Continuous.	\$12.79		\$ -
5-15m	9V(7-14)	Continuous & Blinking.	\$21.84		\$ -
20-40m	9V(7-14)	Continuous & Blinking.	\$26.34		\$ -
3 x 5-20m	12V	3 Way Speed Controlled Sequencing.	\$158.90		\$ -
15-20m	12V	Sound Sensing & Continuous.	\$26.68		\$ -
Controllers -Mains 240V					
5-15m	240V	Continuous & 5 Blinking.	\$213.76		\$ -
20 - 35m	240V	Continuous & 5 Blinking.	\$213.76		\$ -
3 x 5-15m	240V 3xSeq.	Continuous & Blinking & Multi Sequencing.	\$218.26		\$ -
3 x 5-20m	12V Plug pack	3 Way Speed Controlled Sequencing.	\$158.90		\$ -
15-20m	12V plugpack	Sound Sensing & Continuous.	\$26.68		\$ -
Mains Direct - Plug and current limiter					
Drive lengths up to 100m	240V	Not as bright. Can use multiple strands.	\$15.00		\$ -
Construction					
Termination per strand:	We connect your Glow Wire for you - Ready to run.		\$20.00		\$ -
Do it yourself construction					
Termination Guide Manual	Requires Advanced Soldering Skills, fine		\$10.00		\$ -
Heatshrink Kit (2 ends) 3.2mm	soldering iron and heat gun.		\$3.50		\$ -
Heatshrink Kit (2 ends) 5.0mm			\$4.20		\$ -
